BayCare Clinic of Green Bay is hosting a group bicycle tour, the BayCare Clinic Century Bayshore to Lakeshore, on Saturday, June 3.

The event's 30-, 60- and 100-mile routes will use parts of six roads in the town of Eaton:

- Blahnik Road, Allen Road, Eaton Road, Buyarski Road, Willow Road and Water Division Road

A rest stop will be set up at Good Shepherd Farm on the western end of Blahnik Road.

Cyclists will ride on the right side of the road. Riders will be widely spread out over the three routes in small groups.

Roads will NOT be closed for this event. Residents and businesses will have access to their property as desired, although residents, employees and customers are asked to watch for cyclists. Course maps are available at [baycarecentury.bike](http://baycarecentury.bike).

BayCare Clinic has been granted all the necessary permissions for this event and has worked with city and county public safety agencies to plan the event.
